To The Embassy of the People's Republic of China,

Addis Ababa

### Letter of recommendation

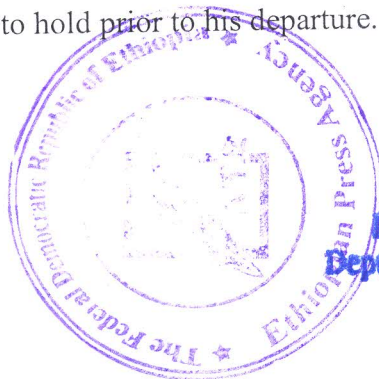

Ethiopian Press Agency would like to certify that it has nominated **Ato Hizkel Hailu Woldemariam** to attend the scholarship opportunity provided by the Embassy in the field of Master of International Executive Business Administration.

In addition to his educational background, **Bachelor Art English Language and Literature** Hizkel has also studied **first degree in Accounting and finance**. He has also been working with the position of **editor in the Business and Economy** page of the **Ethiopian Herald Newspaper**.

Hizkel has been working in our staff as editor since October, 2018 Based on his educational backgrounds, Accounting as well as Language, Hizkel has been working diligently with special focus on the Business and Economy page.

Hizkel has been shown readiness to provide any support that is required from him. He is always available and punctual in his work place including availing himself to the work place any time he is requested. I would like to assure you that He will be able to succeed in managing business enterprise, human resource or related projects.

Wishing him all the best in his study, we would like to assure the embassy or the University where he pursues the higher education that up on completion of his study we will return him to the same position of work that he used to hold prior to his departure.

Best regards

**Pekadu Kelema Gemechu**  
Deputy General Manager for Press
